

## Fashion Show News

The Dept of Family and Consumer Sciences at Illinois State University would like to invite you and your students to "Save the Date" for the annual **Illinois State Fashion Show** on **Saturday, April 29, 2023** at 6:00pm in the Brown Ballroom on the campus of Illinois State University. We will continue offering special ticket prices and seating to FCS teachers and their students. More details will be shared in February 2023.

We also invite you to visit our program and facilities at any other time of the year as well—we love visitors and can tour you around any area of our department. In addition to Fashion Design and Merchandising, we have also have programs in Interior Design, Food, Nutrition and Dietetics (including Food and Beverage Management), Human Development and Family Sciences (including Child Life), and FCS Teacher Education.

Follow us on social media for the latest about the program and show:

in Illinois.

## **FCCLA:**

FCCLA hosted the Ignite Conference on October 2-3 in Springfield, IL.

There were 145 participants in attendance where chapter and section officers received training on FCCLA history, national programs, and competition.

Participants also developed plans for the current school and FCCLA Week. This year's state service project is the Illinois Special Olympics. We are encouraging every chapter to get involved with a local Special Olympic event or donate gas or restaurant gift cards to help volunteer coaches in transporting athletes to their events.
